MARK SATORIUS NAMED REGIONAL ADMINISTRATOR FOR NRC REGION III

Mark Satorius – current Region III Deputy Regional Administrator since July 2007, and 20-year veteran of the Nuclear Regulatory Commission, has been named Regional Administrator of the NRC's Region III Office in Lisle, Ill. He succeeds James Caldwell who is retiring and will begin his duties on March 1.

“Mark Satorius is exceptionally well qualified to lead Region III in carrying out our mission of protecting people and the environment. Throughout his tenure at the NRC, he has held positions of increasing responsibility and successfully met the challenges before him,” said Bill Borchardt, the NRC’s Executive Director for Operations. “His tenure as deputy regional administrator in NRC’s Region III will enable him to make a seamless transition from Jim Caldwell's strong leadership of the region.”

Satorius joined the NRC in 1989 as operator licensing examiner in the NRC’s Region IV office in Arlington, Tex. Since then, he held a number of senior management positions in NRC’s Region IV office and the NRC’s headquarters office in Rockville, Md.

He holds a bachelor's degree in mechanical engineering from the United States Naval Academy. Following his graduation, Satorius served as a nuclear-trained submarine officer.
